

# HAPPY BIRTHDAY, PROMISE RIDGE!

Promise Ridge is a shelter for women with children experiencing a housing crisis. Families stay for 60-90 days while they set goals, connect with community resources, and live in a supportive environment with other families.

In 2018, Promise Ridge opened with a vision to provide respite for homeless families. Since then, we have housed over 100 women and their children.

- ♥ In 2025, Promise Ridge served 33 women and 70 children.
- ♥ 15 families transitioned into their own housing.
- ♥ The average stay was 52 nights.
